Together We Can

School Site Council Members needed for the 2018-19 school year.

We are looking for 3 new community members to serve on school site council next year. It is a two-year commitment. School Site Council members need to be voted into office. School Site Council is a group of individuals that oversee the school improvement plan and budget. They are a decision-making group. If you are interested in serving on the school site council, please write up a short biography and send it to Michael Hermosillo (new principal) and they will hold elections in the fall.

Take Pride

Thank you, Graham, for allowing me to serve you and your children for the past 8 ½ years. I have loved every minute of this journey. I encourage you to get know Michael Hermosillo. He comes with many years of experience and will take Graham to a great place.

I want to close my final Bear Tracks with the lyrics from For Good, from Wicked.

I've heard it said

that people come into our lives for a reason

Bringing something we must learn

and we are lead to those who help us most to grow

if we let them and we help them in return

Well I don't know if I believe that's true

But I know I'm who I am today

because I knew you.

Who can say if I've been changed for the better

but, because I knew you

I have been changed for good.

It well may be

that we will never meet again in this lifetime

So let me say before we part

so much of me is made from what I learned from you

You'll be with me

like a hand print on my heart

Because I had the pleasure of knowing each of you, I have been changed for good.

We may never meet again, but I will take the memories of this wonderful community with me and will use the lessons I've learned while working with you to serve my next community. Each one of you have left a permanent imprint on my heart. Thank

you for all your kindness, support and encouragement. I know Graham will continue to grow and flourish.

MVEF news

The Mountain View Educational Foundation would like to thank the parents, community members, and corporate partners who donated to MVEF this year. Thanks to your generosity we were able to provide over \$635,000 in funding to the district. Your donations brought art, music, science, athletics and more to every child in MVWSD. Haven't donated this school year? There is still time to do your part! Donate at mvef.org/donate.
