Together We Can

It's time to get your library books and class novels back to the Graham Library! Return all materials by Friday, May 18th please. The library is open from 7:30-3:15 Monday-Friday. Books not returned will stay on the student's record for next year. Together we can!

Summer Reading from the Graham Library

Summer is a great time to discover a new book! We have compiled a wonderful list of favorite book recommendations from the teachers and staff at Graham. We hope your student (and you!) get to enjoy these titles from your favorite Graham teachers!

Mountain View Public Library's popular summer reading program begins on June 1st! Need more titles for this summer? You can search their book lists for readers of all ages at <https://mountainview.gov/depts/library/childservices/youthbooklists.asp>

Books, Inc. on Castro Street also has a summer promotion, Summer Book Bingo, beginning on May 15th. More details are available at their website,

InPlay: La colaboración con InPlay ayuda a los padres a conectarse con oportunidades para sus estudiantes

El verano está a la vuelta de la esquina! Y aquí le presentamos un modo de ahorrar tiempo a la hora de encontrar campamentos de verano locales y asequibles para sus hijos. Haga clic aquí para obtener una lista de programas: MV.inplay.org.

InPlay es una organización sin fines de lucro que trabaja con MVWSD y el condado de Santa Clara para ofrecer este servicio en línea que ayuda a las familias a encontrar programas locales y asequibles para actividades después de las clases y campamentos de verano. Muchos de los programas de actividades fuera de la escuela en el área de Mountain View se enumeran en este sitio de búsqueda que incluye: programas financiados por la ciudad y más de 50 programas sin y con fines de lucro.

MWVSD proporciona esto como un recurso para los padres que buscan oportunidades de aprendizaje adicionales para sus estudiantes. MVWSD no ha revisado los programas de actividades y no respalda específicamente ninguno de los programas.

Si tiene alguna pregunta o necesita ayuda para usar el sitio, comuníquese con: info@inplay.org.

LCAP: Public input open for LCAP

MWSD has completed the draft of the 2018-19 LCAP (Local Control Accountability Plan). The draft LCAP was developed in tandem with the District's Strategic Plan using data collected from the following:

- District and site input meetings
- Input collected from staff, student and parent surveys

[Please click here to provide your input](#) about the plans' goals, actions, services and expenditures. Input will be collected through Friday, May 18 and the District will review and respond to all input during the week of May 21.

For more information about LCAP, click on https://www.mvwsd.org/about/district_plans/lcap_lcff.
