## How To Collect Pledges - A Sample Script Of What To Say

HELLO!
My name is and I am a student at Graham Middle School and a member of the Graham Performing Arts. Graham Performing Arts is holding a Practice-A-Thon as a fundraiser from February 2 - 16. Each participant will obtain sponsors who are willing to pledge a certain amount of money per minutes the student practices for the month. For example, if I practice 60 minutes daily for 30 days, that's 1,800 minutes for the month, so a pledge of \$0.01 per minute would be \$18; a pledge of \$0.02 per minute would be \$36, etc. Fixed pledge amounts independent of minutes practiced are also welcome.
Please consider sponsoring me in the Practice-A-Thon. You may pledge any amount you wish. I will keep track of the time I practice for the entire month. After I complete all of my practice minutes, I will let you know how many minutes I practiced and the total amount due for your pledge.
You can make your contribution by cash, check (payable to Graham PTA - include the student's name and Performing Arts in the memo line) OR visit my <i>PracticeStarter</i> webpage where you can make a donation online.
